Message Further to our letter of November 25, 2003, the U.S. Patent and Trademark Office has now set a formal deadline of February 11, 2004 for filing the signed Declaration and Power of Attorney in the above application.

This deadline may be extended automatically for up to four, one-month periods upon payment of an extension fee when the documents are filed. However, these fees are significant and increase monthly, so prompt action is recommended.

We look forward to receipt of the signed formal documents.

Please advise if there are any questions, or if there is any problem to be addressed in meeting this deadline.
